WORDEN COMMUNITY CLEAN-UP- May 3rd

The community of Worden will have its community clean-up day on May 3rd. It will begin at 8:00 AM and any student that helps will be eligible for a \$100.00 scholarship. Each time a student helps, his/her name will get an additional entry to improve the odds of winning. The clean-up organization will begin in front of the Darkhorse. There will be doughnuts provided courtesy of Stockman Bank and coffee and water by the Farmer's Union. The Huntley Project FFA Alumni will also provide a lunch at the end of the clean-up. The clean-up usually takes about 3 hours.

HP SCHOOL SUPPORT OUR COMMUNITY CLEANUP DAY-May 2nd

This year the Huntley Project Student Council BBQ will be sponsored by the local Lions' organization. The JH and HS have implemented some community involvement in the past, and we are continuing this action. Giving back to the outstanding Huntley Project Community is important. This year our classes are going to take a morning, on May 2nd, to help clean roadsides and our local communities. In the past, we have had some of our organizations clean up the area, but now, we will involve all of our students at HP and teach them how important community involvement is. We are including our Junior Class/American Legion cemetery cleanup into this day.

The students will need to return a permission slip to help clean on May 2nd. An alternative cleaning location will be provided for students who do not want to do the highway/community cleanup.

The Lions are rewarding all of the students who help on the community service day with a hamburger lunch, cooked by our student councils.

The Lions' Award Banquet will follow this event and be in the gymnasium after lunch that day, at approximately 1:10 PM.

The Lions' Award is given to each student who has a 3.0 GPA and has 3 consecutive semesters on the honor roll.

RENT A WRESTLER

The Huntley Project Wrestling Team is trying to raise money for its upcoming summer wrestling camps. They have the goal of once again putting Huntley Project back on top of the podium next year at the state tournament, and they need your help. To help these students come up with appropriate funds to better themselves athletically and mentally throughout the summer, the wrestlers have decided to lend a hand to community members in need of assistance.

These young men are aspiring to help you with manual labor tasks that are undesirable to yourself. There is no task too big for this upstanding team of brawlers. It doesn't matter whether you need one or ten of these young men to help you; they are willing to help you with whatever you need. To have one or a dozen of these young men come help you with your environmental needs, simply call coach Tim Kaczmarek at (406)-861-9265. They are awaiting your call.

Hola from the Spanish Department

We are wrapping things up for the end of the year in our Spanish classes. The 4th quarter 8th graders will be getting a cultural perspective on the Day of the Dead (Día de los Muertos), which really occurs on November 1st and 2nd. It is a celebration in which families honor the memory and life of loved ones who have passed away. They will get to decorate sugar skulls and cut designs on tissue paper called Papel Picado.

The high school Spanish classes will get to celebrate “Cinco de Mayo” with a fiesta. They will get to make and try different Hispanic recipes throughout the Spanish-speaking world—some of those recipes include Migas which is similar to stuffing but has garlic and chorizo sausage, Empanadas de pino al horno—a meat pie with onions and spices, and Brazo de Reina—a Chilean dessert that is made of a sponge cake and manjar or dulce de leche (caramelized sweetened condensed milk).

We are looking forward to our Spanish Club—Perú Crew trip next school year. They will get to use their Spanish skills and tour Lima, Peru’s capital city, Cuzco an Incan city, the ruins of Machu Picchu, the Amazon Rainforest, as well as participate in other adventurous activities. The students in that club have been raising money through various fundraisers and are planning a fundraiser at the Pizza Ranch on May 28th! We would love to see members of the community come out for some dining at the Pizza Ranch in support of our crew that evening from 4pm to 8pm. The kids will be bussing tables and anyone eating that comes and eats at the Pizza Ranch or orders take-out/delivery will help us to earn 20% of the profits. All you have say is you are eating there for the HP Spanish Club!

It has been a great year and I am looking forward to many more.

- **Stephanie Berg-Tossoun**

HALL OF CHAMPIONS/FAME ITEMS NEEDED!

The Huntley Project School district and the athletic committee are asking for the help of the community and alumni.

We are beginning the rededication of the Athletic Hall of Fame/Champions and need pictures of individual champions of athletic or activity events that attended Huntley Project Schools at the time of that accomplishment. The Team Champions will be also recognized in the Hall of Champions. Please contact the following if you have any individual photos of these champions.

blambert@huntley.k12.mt.us,
mwandle@huntley.k12.mt.us,
gcroy@huntley.k12.mt.us, and
istookey@huntley.k12.mt.us

Community members who are on the committee include Larry VanLuchene and Tim Ley. You can contact them with any information or questions.

All individuals who were All-State will be recognized for that accomplishment on an ALL-STATE Board for each activity or athletic program. We need information to help us make sure that we do not miss any of these accomplishments. The difficulty is that All-State is not monitored by the MHSA and is listed in various capacities and locations. To ensure that we do not miss any of the individuals who accomplished this level of recognition please contact the same individuals with any information that may support that status for an individual.

We will also have notification booths setup at Homesteader Days and various other events in the next 2 years. Please spread the word and share with other Red Devil Alumni!

**The 2014-2015 school calendar
will be posted online as soon as
the district finalizes it.**

Thank you!
